Personal Insights & Discussion

Discussion of impactful projects, initiatives, experiences, and/or classes

A person wearing a light blue button-down shirt is seated at a desk, typing on a silver laptop. The laptop screen displays a dark blue desktop background with a small white window in the center containing a green circular logo and some text. The person's left hand is on the keyboard, and their right hand is holding a pen over a white document. The laptop is resting on a bright orange cylindrical stool. The overall scene is dimly lit, with a soft glow from the laptop screen.

Thank You
